What We Believe

Our Mission

Connecting Patients and Providers with Purpose.

Our mission is to improve the lives of our patients by providing quality and timely emergent and non-emergent medical transportation services with empathy and care.

We strive to create an environment that empowers our employees to deliver the best possible care to our patients and providers.

Our People.
Every day, we strive to create a positive and supportive workplace for every individual on our team – where all voices are valued and heard.

Our Patients.
Patient care is the reason we do what we do. We view our patients as if they were a part of our family. Behind our transports are our families, friends, and loved ones.

Our Performance.
Performance is achieved when all employees, hospitals, communities, and investors receive a return on their time and investment into our corporation.

The Patient Journey

We offer best of class patient movement from, to, and within all types of health systems.

Our world class care and leading edge training create an environment that lifts employees to high standards and educates them to be ready for all situations.

Covalent Health provides a step towards the best career path for our employees, giving them many opportunities to gain knowledge and expertise in their field.

Arrival
Working with our health care partners to create customized blueprints for workflows and the patient journey, Covalent delivers services that fit your health facilities perfectly.

Transport
We employ dynamic technologies and a customized facility-centric approach, delivering improved patient outcomes and efficiency gains for all of our health partners.

Destination
The crew provides the utmost care while settling the patient in to a great care facility. Covalent Health companies ensure an excellent experience every time.

Be the Employer of Choice
